August 2021 - **UX Research Assistant** | Purdue University UXP2 Lab

Present

I am an undergraduate research assistant working on an NSF-funded project regarding everyday ethics in UX design under Dr. Colin M. Gray. Worked on development of co-creation sessions to help practitioners approach complex ethical scenarios, a website presenting ethics-focused methods to practitioners, developing and conducting a usability study, and thematic and network analysis of tweets regarding dark patterns.

May 2022 - **UX Research Assistant** | Purdue University SuperPower Lab

August 2022

I worked on the User Experience Team within the SuperPower project under Dr. Robert Proctor and Dr. Ya-Hsin Hung. Tasks included: Qualitative content analysis and transcript coding, behavioural coding, usability issue reporting, journey mapping, power analysis software testing.

2022 **BS Psychological Sciences** | Purdue University, West Lafayette, IN

2017 **International Baccalaureate** | Leysin American School, Switzerland
